INTERVIEW WITH THE STUDENT OF THE MONTH

Interviewer: How are academics different after school then academics during the school day?

Arrianna: During school its kind of rushed, in the after school program you get more one on one attention.

Interviewer: What are some of the ways the staff and teachers encourage you in the afterschool Program?

Arrianna: They tell me how important it is for me to get my education.

Interviewer: What do you like best about the Afterschool Program?

Arrianna: I enjoy being around my friends, and having something positive to do afterschool.
